THE GLOBAL GOALS
For Sustainable Development

***The Program of Socio-Economic Development of the Republic of Belarus for the period of 2016-2020**
(approved by the Decree of President of the Republic of Belarus № 466 of 15 December 2016)

The main objective of the Program is to increase living standards for the population based on the growth of competitive capacity of the economy, attraction of investments and ensuring innovative development.

Solution of the task is based on five priorities, including the following:

- ❖ *Investments (Investments for the growth of labor productivity and the formation of centers for advanced regional development);*
- ❖ *Employment (Creating new jobs and ensuring effective employment);*
- ❖ *Exports (Growth and diversification of exports of goods and services, ensuring the balance of foreign trade);*
- ❖ *Informatization (Development of the information society and the widespread introduction of information and communication technologies);*
- ❖ *Youth (Development of youth potential and its active involvement in the creation of a knowledge economy)*

Chapter 8. Committee of State Control (Constitution of the Republic of Belarus)

Article 129. The Committee of State Control shall exercise state control over execution of the republican budget, use of state property and implementation of the acts of the President, the Parliament, the Government and other state bodies, regulating state property relations and economic, financial and tax relations.

Article 130. The Committee of State Control shall be formed by the President. The Chairperson of the Committee of State Control shall be appointed by the President.

Article 131. The competence, organization and operating procedure of the Committee of State Control shall be determined by the legislation.

The main tasks of the Committee of State Control:

- to ensure economic security of the Republic of Belarus;
- to supervise execution of the budget, use of state property, implementation of acts delivered by the President of the Republic of Belarus, the Parliament, the Government and other public bodies regulating state property, economic, financial and taxation relations;
- control over execution of the instructions issued by the President of the Republic of Belarus;
- prevention, detection and restraint of economic violations and crimes;
- implementation of efficient actions to prevent legalization of criminal income, funding of terrorism and proliferation of mass destruction weapons.
